

## Ho Ho Ho! MERRY CHRISTMAS and a HAPPY NEW YEAR

Christmas is almost here and once again a busy year comes to an end. We hope you can look back at the past year with a smile and can welcome the new year with optimism.

Now, for us and hopefully also for you, it is time for a little break and relaxation. On that note we wish you, your colleagues and your loved ones wonderful and joyous Christmas holidays. We are looking forward to another successful year with you!

### Dear Customers!

We are looking forward to an exciting year as for example the revision of [ISO 45001](#) is expected to be published in February 2018. The new requirements for occupational health and safety management systems and their implementation will therefore be of great interest to us.

On behalf of Quality Austria, I wish you a Merry Christmas and relaxing holidays with your family and friends! Recharge your batteries and have a great start into the New Year!

Best regards,

Nina Melmer
