

Do you have plans for August 2017? Why not combine work with pleasure?

Spend a part of your summer in Vienna, one of Europe's top destinations, and join us at the Summer Academy 2017! Become a Quality Manager in two weeks and enjoy beautiful Vienna in the summertime.

Quality Austria organizes a Summer Academy with courses and exams in English language for the Quality Management Representative and for the Quality Systems Manager. The training content and examination are accredited according to **ISO 17024** and are also **EOQ**-harmonized (European Organisation for Quality), meaning that EOQ-certificates can be applied for in addition to the accredited **qualityaustria** certificate.

The Summer Academy 2017 will take place in Vienna from **14th to 28th of August 2017**:

Quality Management Representative: 14th to 19th of August 2017 (Examination: 21st of August 2017)

Quality Systems Manager: 14th to 25th August of 2017 (Examination: 28th of August 2017)

Since 2013, Quality Austria organizes the annual **qualityaustria** Summer Academy with intensive courses and exams in English language in the area of Quality Management. The **qualityaustria** Summer Academy mainly addresses managers and junior managers all over the world.

Above all, Quality Austria also obtains international recognition, being the first national EOQ Partner to offer a specific programme in English. Visit [this page](#) for more information!

Résumé of the first Summer Academy

The first participants would not have thought that they would be able to work on numerous topics in such a concentrated manner from morning to night. The lecturers not only succeeded in adequately approaching and motivating each individual, they also managed the direct translation of what had been learned into practice by working on exercises and case studies in teams while enhancing competencies in project management, team leadership and presentation techniques. The learning atmosphere and cooperation among the participants were very constructive.
